Immunization Requirements for Child Care

Prior to entry into Florida childcare facilities and family daycare homes, each child shall have a Form DH 680, Florida Certification of Immunization, on file documenting age-appropriate immunizations of the following vaccines:

- Pneumococcal conjugate vaccine (PCV)*
- Diphtheria-tetanus-pertussis (DTaP) vaccine
- Polio vaccine (IPV)
- Measles-mumps-and rubella (MMR) vaccine
- Varicella vaccine (chickenpox)**
- Haemophilus influenzae type b (Hib) vaccine

* Effective January 1, 2012, PCV required for children 0-59 months.

**Varicella vaccine is not required if there is a history of varicella disease documented by the healthcare provider.

Refer to *Immunization Guidelines for Florida Schools, Childcare Facilities and Family Daycare Homes*, available at www.ImmunizeFlorida.org/schoolguide.pdf.
