Disciplinary Practices of Apollo Preschool

At Apollo Preschool, we take a positive approach to discipline. The use of physical punishment is never permitted, even if a parent advises us otherwise. Our staff redirects the child to an activity or situation that is appropriate. If the child still cannot control his/her behavior, a staff member will have the child sit for several minutes in order to regroup and think about his/her actions. Our trained staff incorporates the "Conscious Discipline" method, which gives the child a "safe place" to calm down and practice techniques that help him/her manage the classroom setting.

Authorization for Emergency Care and First Aid

I hereby authorize the staff at Apollo Preschool to give consent for any and all necessary emergency medical First Aid for my child, _____, while in the care of Apollo Preschool.

I have read and agree to the terms and conditions of this complete handout.
