

Apollo Preschool

Transportation Authorization Form

Apollo provides before/after school care transportation to local area elementary schools. We also provide transportation to and from local field trips during the year for our school age program. Parents are notified two weeks in advance of any upcoming field trips and the type of transportation Apollo Preschool will be providing. When participating in this program, you are granting permission for Apollo Preschool to transport your child. All field trip sign-up sheets are posted in the front office.

I agree to the transportation terms and policies of Apollo Preschool and give my child,
_____, permission to receive transportation from
Apollo Preschool.
