

January 2026

We hope everyone enjoyed their Christmas Break! It's nice to see the smiling faces of those who traveled and spent the break elsewhere. Below are a few reminders for the month:

Apollo Preschool will be **CLOSED** for the New Year's Holiday on **Wednesday, December 31 and Thursday, January 1**, as well as the Martin Luther King Holiday on **Monday, January 19**.

Please make sure all students are signed in/out each day. If you are using the notebook to sign your child in/out, please sign your full signature; initials are not accepted. All children should be at Apollo by 9am (VPK is 8:30am). If you have an appointment that requires you to arrive late, please provide a note to the front office staff.

It's that time of year again . . . please update your child's enrollment paperwork if you have any changes with employment, phone numbers, addresses, emergency contact, approved pick-up information, email addresses, or your child's medical history/medication. Accurate information is required by licensing and for the safety of your child.

Tuition for the holiday weeks remains the same regardless of attendance. Please pay your tuitions on time to avoid late fees.

A special thank you to all those who provided goodies and gifts to the Apollo staff during the holidays. Thank you for generosity and kindness!
