

April 2026

Happy Spring, parents! Picture day in March was successful, and the pictures were adorable! Everyone should have received their child's proofs and ordered pictures.

This year we've planned an exciting Summer Camp—activities packed with action and fun. If your child plans to attend Camp Apollo this summer, please register at the front office. If your child will not be attending for any weeks, please inform the front office staff when signing up.

We are accepting all Eligibility Certificates for the upcoming VPK Program. To participate, children must turn 4 years old by September 1st. If you have questions or need help registering, please ask the front office staff for assistance.

Many of our classrooms will host Easter parties on Thursday, April 2nd. A party list will be posted in your child's classroom with all the necessary information. Each class will also participate in an Easter egg hunt on our playground.

Friendly Reminders:

Apollo Preschool will be closed on **Friday, April 3rd** for Good Friday. The Brevard County public school system will also be closed.

Save the date: the VPK graduation celebration will be held on **Friday, May 22nd**. Parents may attend the ceremony.

Parents, please make sure your child's files include current immunizations, physicals, and emergency contact information. This information must be kept up to date at all times.
