

October 2026

We want to welcome our new families to Apollo. We are off to a great start this school year. Our students are settling into their new classrooms, and returning students are helping our new friends feel welcome.

Parents, please return the required Annual Food Forms we sent home last week by **Friday, October 9th**.

Any schoolers who need childcare during the Brevard County school teacher workday on **Monday, October 12th** are welcome to sign up in the front office.

Picture day is **Tuesday, October 12th**. Images 4 Kids will be here from **8:00-11:30 am** to take individual and sibling photos. Please make sure your kids arrive on time so everything goes smoothly.

We will hold our annual Pumpkin Patch on **Wednesday, October 28th**. All students will get to pick a pumpkin off the playground. Infants through school-age are welcome to participate!

We will hold our annual Halloween Party on **Friday, October 30th**. Come in a costume, and we will “trick-or-treat” among the classrooms. Party information will be sent to parents via your child’s classroom teachers.

Thank you for sharing your little ones with us. We can’t wait for a fun-filled fall together!

Upcoming Events:

Apollo will be closed for the Thanksgiving holiday on **November 26th & 27th**.

We will be open Monday through Wednesday the week of November 23rd to help with your childcare needs.
